

# How to play CRANIUM Cadoo™

## 1. Get ready

Cranium Cadoo is the all-new, outrageously fun game designed especially for kids. With a variety of hilarious activities, Cranium Cadoo will get you thinking, creating, giggling, and grinning as you go for a four-in-a-row Cadoo to win.

### SOLO CARDS

You do these on your own. You can complete your four-in-a-row Cadoo only with a SOLO card.

### TOKENS

Get a four-in-a-row Cadoo to win!

**PAPER AND PENCIL**  
Draw cool things.

### CRANIUM CADOO DIE

Roll it to see which box of cards you draw from.

### SECRET DECODER MASK

Use this to read the secret words or answers on the cards!

### COMBO CARDS

The other players guess what you are doing. If somebody shouts it out, you share the same spot on the board.

### TIMER

Beat the timer on every challenge.

**CRANIUM CLAY®**  
Make fun stuff.

- Choose the color of your tokens. Each player takes all the tokens of one color. (If you have more than four players, see the special instructions for team play on the back page.)
- Open up the board, take all the goodies out of the box, and set them up so everyone can see everything.
- You're ready to start Cadoo! The youngest player goes first.

## 2. Get started

### OBJECT OF THE GAME

Be the first to get a Cadoo (four tokens in a row—across, up, down, or diagonally) and win!

### ON YOUR TURN

1. Roll the die to see which kind of card you get—SOLO or COMBO.
2. Draw your own card and read it **out loud** so everyone can hear you. Your card tells you what to do and how to place tokens if you succeed.
3. Start the timer when you're ready to begin your Cadoo challenge. Can you beat the timer? Congratulations! You're on your way to a Cadoo.
4. Pass the die to the player on your left. Your turn ends after one card.

## 4. Get a Cadoo to win

Be the first to get a four-in-a-row Cadoo and you win! **But** you can win **only** on a SOLO card! Say you have three tokens in a row and you roll a COMBO. You can still do the COMBO, and you still get to place tokens if you succeed—you just can't choose the spot that would complete your Cadoo. Only a SOLO card gives you a chance to go for that fourth winning spot.

### FOR EXAMPLE

Blue would have to roll a SOLO to play for this spot and get a Cadoo.

If Red shouts out Blue's COMBO answer, Blue **can't** choose this spot, because it would give Red a four-in-a-row Cadoo on a COMBO.

### WHAT IF NOBODY GETS A CADOO?

This happens sometimes. Keep playing until the board is full. The player with the most tokens on the board wins the game.

## How to play in teams

If you have **more than four** players, you can play Cadoo in teams. A team can be any number of people, from one to four or more.

In teams, game play works almost the same. When it's your team's turn, roll the die and draw your SOLO or COMBO card.

If your team rolls a SOLO, you and your teammates do the challenge on the card together. The other teams watch and check your answer.

If your team rolls a COMBO, choose **one** player on your team to do the challenge while all the **other teams** try to guess. (The people on your team **don't** guess.) If another team shouts out the correct answer, both teams place tokens on the board. Your team chooses the spot.
