

CUBITS™

A new polyform puzzle that will delight your mind and dazzle your eyes.

To play, select a puzzle pattern from our challenge booklet.

Then combine Cubits™
16 pieces to match the puzzle pattern.
(don't worry, all puzzle solutions are enclosed)

We've included over 100 patterns to dazzle you! Puzzle challenges range from beginner, using 3 to 4 pieces, to expert, using all 16 pieces. Watch Cubits™ take dimension as you master each puzzle. Solve them all, then create your own.

HAVE FUN!
