Discovery Tiles

As you venture across the high seas, search for areas surrounded by land or water to gain extra points.

Setup: Place both discovery tiles off to the side during set up. These tiles are accessible by any player, once the conditions of their placement are met.

Play: If, at any point during the game, there are four tiles surrounding an empty space that could appropriately fit either discovery tile (all land or all sea), you may immediately place it in the space.

Scoring: Each of the discovery tiles are worth **3 points** at the end of the game.
